

`\arraystretch`

`\arraycolsep`

`\arrayrulewidth`

The diagram illustrates a 3x4 table with various LaTeX parameters annotated. The table is composed of cells labeled `cellij` where *i* is the row index and *j* is the column index. The annotations include:

- `\arraystretch`: A vertical double-headed arrow on the left side of the table, indicating the vertical spacing between rows.
- `\arraycolsep`: A horizontal double-headed arrow at the top, indicating the horizontal spacing between columns.
- `\arrayrulewidth`: A downward-pointing arrow on the top right, indicating the width of the table's border lines.
- `\doublerulesep`: A horizontal double-headed arrow at the bottom, indicating the horizontal spacing between the two vertical lines that form the table's border.

<code>cell₁₁</code>	<code>cell₁₂</code>	<code>cell₁₃</code>	<code>cell₁₄</code>
<code>cell₂₁</code>	<code>cell₂₂</code>	<code>cell₂₃</code>	<code>cell₂₄</code>
<code>cell₃₁</code>	<code>cell₃₂</code>	<code>cell₃₃</code>	<code>cell₃₄</code>

`\doublerulesep`
